BLACKLIST UNFAIR 25 YEARS AGO IN TOPEKA

Some on British List Say No Reason for It.

Practically All Are New York Business Firms.

New York, July 19 .- With few exceptions, all of the American business firms and individuals, placed by the city. Most of these merchants expressed no surprise today over the action of Great Britain. J A. Kahl. an exporter and importer said:

"This blacklist has been in the hands of bankers all over the world at least a year to my personal knowledge. I have known for more than a year that I, for one, have been blacklisted. I am and have been for twenty years, an American citizen. Not have been for twenty that it is the same of the interface of their friends to their facet.

Would Be Fat NO PEACE TILL SPRING

War Must Burn Itself Out, Says Dr. Crumbine Also Says: Wear a Aked, Returned Peace Emissary.

"I'd certainly give most anything to be able to fat up a few pounds and stay that way," declares every excessively thin man or woman. Such a result is not impossible, despite past failures. Most thin people are victims of mal-nutrition, a condition which prevents the fatty elements of food from being taken up by the blood as they are, when the powers of nutrition are normal. Instead of getting into the blood, much of the fat and flesh producing elements stay in the intestines until they pass from the body as waste.

To correct this condition and to produce a bealthy normal, amount of fat, the nutritive processes must be artifically supplied with the power which nature has dealed them. This can probably best be accomplished by eating a Sargol tablet with every meal. Sargol is a careful combination of six splendid assimilative agents. Taken with meals they mix with the food to turn the sugars and sharches of what you have eaten into rich, ripe nourishment for the tissues and blood and its rapid effect has been in many cases reported remarkable. Reported galms of from ten to twenty-five pounds in a single month are by no means infrequent. Yet its action is perfectly natural and absolutely harmless. Sargol is sold by Arnold Drug Co. and other druggists everywhere and every package centains a guarantee of weight increase or money back.

NOTE:—Sargol is recommended only as a fiesh builder and while excellent re-

New York Soldiers in Topeka Shocked Kansas Lassies.
